

A majority of CRNA's funds will be utilized in Direct Child Care Services, Grants or Assistance (other than subsidies) to Stabilize Child Care Providers. The other 2 areas will be based on a as needed basis.

Direct Child Care Services (Subsidies)

- Does the lead agency plan to use CRRSA funds to provide direct child care services, including child care subsidy assistance to health care sector employees, emergency responders, sanitation workers, farm and other food service workers, and/or other workers deemed essential or frontline during the response to coronavirus? If yes, describe.

Implementation of Virus Mitigation Policies and Practices

- Does the lead agency plan to use CRRSA funds to provide resources, supplies, and/or technical assistance to child care providers to support implementation of health and safety practices and policies in line with guidance from State and local health departments and the Centers for Disease Control and Prevention (CDC)? If yes, describe.

Grants or Assistance (Other than Subsidies) to Stabilize Child Care Providers

- Does the lead agency plan to use CRRSA funds to support the stability of the child care sector to help child care providers (program facilities and workforce) pay for increased operating expenses during the COVID-19 public health emergency? If yes, describe.

Assistance to Providers Not Participating in the Subsidy System Prior to the Pandemic

- As required in CRRSA, how does the lead agency plan to use a portion of funds appropriated in CRRSA to provide assistance to CCDF-eligible child care providers not participating in the subsidy system prior to the COVID-19 public health emergency?
